Federal Election Commission

Re: MURs 4830 and 4845

Dear Chairman Thomas:

This letter is written on behalf of the Udall for Us All Committee ("Udall Committee") in response to your August 6, 1999 letter, Factual and Legal Analysis, and proposed Conciliation Agreement. The Commission initiated the above-referenced matters in response to complaints filed by the New Mexico Republican Party. The Udall for Us All Committee appreciates the opportunity to respond to these allegations and to work with the Commission to resolve any remaining concerns.

The Commission's August 6 letter states that the Commission found reason to believe there were certain statutory violations by the Udall Committee but found no violations with respect to certain other allegations in the complaints. In this letter, we address only the allegations with respect to which the Commission believes there may have been statutory violations.

As a general matter, we note that clerical and technical mistakes in the filings at issue were corrected with amended filings. The \$5,000 contribution was returned as soon it was learned that the political action committee (PAC) making the contribution was not a multicandidate PAC. With respect to one allegation, that the post-primary contributions exceeded the primary debt, this letter and the attached exhibits show that the post primary receipts did exceed primary debts, but only by \$165.05, and not by \$22,000 as suggested by the Commission. This discrepancy was only recently discovered by the Udall Committee, which is prepared to make a corrective filing and refund the appropriate amount. We urge the Commission to view this as an inadvertent and *de minimis* error, particularly in comparison to the over \$541,000 raised and spent on the primary election.

Responses to Specific Allegations

1. The Udall Committee received several post-primary contributions that were in excess of outstanding primary election debt and a \$5,000 contribution that likely contained excessive individual contributions in violation of 2 U.S.C. §441a(f).

The post-primary contributions to the Udall Committee did exceed the debt outstanding after the June 3, 1998 primary, but only by \$165.05. As demonstrated by attached exhibits, the Udall Committee had primary expenditures of \$541,081.50 and primary contributions of \$541,246.55. This information is contained in the attached exhibits.

- **Exhibit A** is a summary spreadsheet with a breakdown by period of all primary expenditures and receipts.
- **Exhibit B** contains the summary pages from the Udall Committee's 1997 Year End Report, showing expenditures for 1997 of \$59,811.45 and receipts of \$256,117.24. However, \$6000 of the contributions were designated for the general election; thus the overall 1997 contributions attributable to the primary were \$250,117.24.
- **Exhibit C** is the summary page for the 1998 pre-primary report covering the period April 1, 1998 to May 13, 1998. As of May 13, 1998, the year-to-date receipts for the primary were \$153,983.65 and the expenditures were \$302,222.73. As of May 13, 1998, total receipts attributable to the primary exceeded expenditures by \$42,066.71.
- **Exhibit D** is the summary page from the 1998 July 15 Quarterly Report.
- **Exhibit E** is a spreadsheet reflecting the receipts for the period May 14 until the primary election on June 3. This chart shows that the receipts for this period were \$62,941.37 (including the loan from Tom Udall; see Exhibit G).
- **Exhibit F** is a spreadsheet reflecting the expenditures for the period May 14 until the primary election on June 3. This chart shows that the expenditures for this period were \$96,841.03.

- **Exhibit G** is the schedule C of the July 15 Quarterly report detailing the \$30,000 loan (made May 22, 1998) from Tom Udall to the Udall Committee, which was later repaid in four payments (August 22, 1998, September 14, 1998, October 14, 1998 and November 3, 1998).
- **Exhibit H** is a spreadsheet listing the primary contributions for primary expenses and debt reduction received between June 3 and June 30, 1998 totaling \$6,802.66.
- **Exhibit I** is a spreadsheet listing the primary expenditures made during the period from June 3 to June 30, 1998 totaling \$34,613.83. These expenditures were in payment of bills for primary expenses incurred prior to June 3 which had not been paid by that date.
- **Exhibit J** is Schedule A, Line 14 of the October 15 Quarterly report itemizing the \$16,971.63 in refunds that the Udall Committee received from primary expenditures.
- **Exhibit K** is a spreadsheet detailing the receipts listed on the October 15 Quarterly Report, the Post Election Report and Year End Report that were designated as contributions for primary debt retirement totaling \$38,000.
- **Exhibit L** is a spreadsheet detailing the primary expenditures detailed in the October 15 Quarterly Report totaling \$4,761.25.
- **Exhibit M** is the report of the \$5,000 contribution that was returned to South Bay Voter Registration.
- **Exhibit N** is the Schedule B disbursement page from the Post Election Report for the primary "Victory Bonus" to Decision Research of \$3,000 on November 19, 1998.
- **Exhibit O** is the Udall Committee's contract with Decision Research, which provides for a "victory bonus" for a primary election victory, and the invoice from Decision Research. The \$3,000 bonus was a primary expense paid on November 19, 1998.
- **Exhibit P** is a page from the Schedule B disbursement section of the Post Election Report detailing the \$4,831 payment to Terris & Jaye for "signs for the primary election" paid on November 19, 1998.

The Honorable Scott Thomas
September 15, 1999
Page 4

As our summary spreadsheet details, the primary receipts of the Udall Committee exceeded primary expenditures by \$165.05. As noted, this discrepancy was only recently discovered, and the Udall Committee is prepared to make a corrective filing and refund the appropriate amount. This was an inadvertent error, which was *de minimis* compared to the total amounts raised.

The \$5,000 contribution from the South Bay Voter Registration PAC was returned as soon as the Udall Committee learned that South Bay was not a multicandidate PAC. While we understand that California PACs may accept contributions that are not allowed federal PACs, we take issue with the statement that the \$5,000 contribution from South Bay Voter Registration PAC "likely contained excessive individual contributions."

2. The Udall Committee accepted a \$5,000 contribution from the South Bay Voter Registration PAC, which is not a federal multicandidate political committee, in violation of 2 U.S.C. §441b.

As discussed above, the Udall Committee acknowledges that it accepted a \$5,000 contribution from the South Bay Voter Registration PAC. The Udall Committee returned the contribution as soon as it learned that South Bay was not a federal multicandidate PAC. We, therefore, request that the Commission exercise its discretion to not pursue this allegation, because it was an inadvertent error that was immediately cured.

3. The Udall Committee failed to report properly a loan on the first page of its 1998 July 15 Quarterly Report in the space designated for debts and obligations owed by the Committee and incorrectly checked off general election contributions as having been for the primary election on its 1998 October 15 Quarterly Report in violation of 2 U.S.C. §434(b).

The Commission found reason to believe that the Udall Committee violated 2 U.S.C. §434(b) because of an omission on the 1998 July 15 Quarterly Report and misdesignations on the 1998 October 15 Report. In the Factual and Legal Analysis, the Commission states that "the failure to put the loan information in each place where it was required [on the July 15 report] apparently compromised the utility of the disclosure report." The Udall Committee acknowledges that it failed to list the \$30,000 loan on the summary page or in Schedule C of the July 15 Report. However, the loan was detailed on page 2 of the July 15 Report on the appropriate line. Thus, the substantive information was included in the report, and the Detailed Summary Page accurately stated total receipts. We also note that, upon learning of this clerical error, the Udall Committee filed an amendment on October 23, 1998 to cure it. In light of these facts, we request that the Commission exercise its discretion not to pursue this issue.

The Honorable Scott Thomas
September 15, 1999
Page 5

The Commission also found reason to believe that the Udall Committee violated 2 U.S. §434(b) by not properly recording contributions on its October 15 Quarterly Report. The Commission found in its Factual and Legal Analysis that “[T]he utility of the Committee’s 1998 October 15 Quarterly Report was further compromised because the Committee incorrectly checked off general election contributions as having been made for the primary election.” We note that this clerical error did not change the Udall Committee’s overall financial status for the general election as of October 15, caused no harm to other parties, and was cured in an amended report, dated October 28, 1998, as soon as it was discovered.

We very much appreciate your further consideration in this matter. After the Commission has had an opportunity to further review these materials, we would appreciate meeting with Eugene Bull to discuss whatever questions you have.

Sincerely,

Bruce H. Andrews

DECISION RESEARCH

AGREEMENT

This is an agreement between Decision Research and Tom Udall (Udall).

For the sum of Twelve Thousand, Nine Hundred Dollars (\$12,900) plus additional expenses for any research-related travel outside of Washington, D.C., additional copies of the final report, express, messenger and similar services, or services outside the scope of this agreement, Decision Research agrees to conduct public opinion survey research services (400 sample) for Udall (or a committee formed for the purpose of electing Udall to Congress), in the 1998 Primary Election. At Udall's option, a 600 sample size larger (at \$17,500), as well as focus group (\$4,000 per group); and tracking research (\$4,500 per wave of 400) are available.

The basic survey research will include the following services:

- 1) Prepare and review, in consultation with client and/or consultant, a draft questionnaire not to exceed 20 minutes; 2) Revise questionnaire as necessary; 3) Develop a computer-generated sample of likely Primary Election voters in the Congressional District; 4) Conduct 400 (or 600) completed telephone interviews; 5) Computer program, keypunch data and computer analyze basic frequency and demographic cross tabulated data; 6) Provide one copy of a final report (including all tables); and 7) Orally brief client on the implications of the survey research, provide ongoing consulting assistance to the campaign, and participate in campaign strategy sessions as needed, with travel costs to be reimbursed.

The research process will begin at a time to be decided by mutual agreement, and be completed within approximately seven working days following approval of the questionnaire. Decision Research will conduct the research in a manner consistent with the professional standards of the public opinion and survey research industry. Udall recognizes the accuracy of survey research data to be limited by the statistical and non-statistical methodological limitations of telephone survey research.

There are no ongoing retainer or consulting fees. Payments for the basic survey research service are due according to the following schedule: \$1,000 upon signing this agreement (to be applied to the benchmark poll), 50% of the cost of the benchmark prior to fielding the survey and the balance plus any additional expenses noted above, upon presentation of the written report. A victory bonus of \$3,000 is due upon a Primary Election victory. The terms and costs specified in this agreement apply to the General Election as well, with a \$6,000 bonus due upon a General Election Victory for Udall.

This contract is enforceable under the laws of the District of Columbia.
